

WHAT IT TAKES TO BE A GLOBAL LEADER

Lecturer: **Tatsuo Tanaka**

President of Bai Xian Asia Institute Japan,
Chairman of Apollo Management Japan,
Chairman of the Advisory Board of Strategy Advisors,
Chairman of Japan Financial Issue Study Member,
Director of Genron NPO, and a lot more titles

Japanese economy as well the world economy is undergoing a major transformation, and there has never been a time when global leaders are more needed than today. Through my own experience and the experience of many people I have met during my career, I would like to discuss "the importance of global leaders".
